INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with 37 C.F.R. § 1.56, Applicant submits herewith patents, publications or other information of which they are aware, listed on form PTO-1449, which they believe may be material to the examination of this application and in respect of which there may be a duty to disclose. Legible copies of all items listed on form PTO-1449 accompany this information disclosure statement.

The listed references were cited in the International Search Report.

WO 03/024856 corresponds to U.S. Patent application US2004/0173410. WO 03/024854 corresponds to U.S. Patent application US2005/0029055.

The present invention defines a specific safety system for an elevator structure which is not believed to be disclosed by the enclosed references.

The filing of this information disclosure statement shall not be construed as a representation that a search has been made (37 CFR 1.97(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists. The filing of this information disclosure statement shall not be construed as an admission against interest in any manner.
